## RYAN MAKES RWC SQUAD!!!

Hot off the press is a the announcement that Ryan Crotty has been named in the 31 man squad to play at RWC 2019!

After the disappointment of missing the opportunity to play the Super Rugby final, it is great news to see that Ryan has recovered from his thumb injury. This Saturday will see him play his last game in Christchurch so it would be great to see a great Club turnout at the game.

On behalf of the Club, we congratulate for Ryan and his family on his selection.

We can't wait to see him perform at RWC 2019 and finish his All Black career with a win at the tournament.

# EASTERN COMMUNITY SPORTS UPDATE

As mentioned to those that attended our end of season prize-giving, Eastern Community Sports and Recreation (ECSR) have recently received resource consent for the all-weather surface and canopy construction over the old tennis courts in Rawhiti Domain.

The construction will cost around \$1.2million and we believe will be a huge asset for the east and potentially create another link to the new Shirley Boys High School and Avonside Girls High School site

As a founding club of ECSR, we look forward to our members having the opportunity to use this space when it is built.

# RDO UPDATE

Since the last newsletter we have had our senior club teams finish up and we are now into the representative campaigns for the players who have earned selection.

The Seniors (Div 3) finished off their season on a high with a win to claim the Senior Reserve Trophy. A massive thank you to Tess and LJ for your work coaching the group this year and to Adam and Shane for managing.

Our Pre- Season trip to Melbourne has been confirmed (please see below). We will be heading to Melbourne for a fixture against Melbourne University early March with the goal of developing the club player base and making new connections. The team has been selected based on Premier and Colts Premier players. The side will begin fundraising for the trip and have already raised some sponsorship towards team kit.

Coaching and trainer applications are coming in strong with an outstanding calibre of candidates. The rugby committee will be conducting interviews over the next two weeks and we will be announcing the 2020 coaching structure shortly after.

In the meantime enjoy the representative programmes played across Canterbury and soak up some of this great weather.

Regards

Andy

## JERSEY SPONSORSHIP 2020

**Premier,  
Premier Reserve  
and Colts Premier**

As you will have noticed, a good number of Clubs have taken the approach of finding individual jersey sponsors over the past few seasons.

This past season was the first time we had actively encouraged players from Premier, Premier Reserve and Premier Colts to find their own jersey sponsor. For the first year, we had a really good result and the players efforts brought a whole new group of sponsors to the Club which assisted greatly with providing gear and equipment for these three teams.

**We are therefore seeking player assistance again for the 2019 season!**

We are asking all players in these three teams to attempt to find at least one jersey sponsor next season at a cost of **\$350 per jersey**. The \$350 raised will be split as follows -

- (a) \$160 - will pay for the players 2020 subscription
- (b) \$100 - retained by the team to be used at their discretion, but most likely towards team kit and running costs
- (c) \$50 - will be retained to pay for a sponsor plaque that will be presented on Sponsors Evening
- (c) \$40 - a fundraising contribution to go to the Club to assist with running costs and improvements.

Sponsors will receive -

- (a) Exposure through sponsor names on the back of the jersey
- (b) Name will be displayed on the sponsors board in the Club
- (c) Invite to annual Sponsors evening
- (d) Communication via Lupin Snooper newsletters

Given these jerseys tend to be used by lower grade teams after this season, the sponsors are exposed to spectators beyond just one year.

Players are asked to try and find a sponsor by **30 November 2016** at the latest so that jersey names can be printed on next season's jerseys when they are put in to production in October/November 2018.

If any member has a potential sponsor to offer please contact Wayne Turner ASAP.

Sponsors will be issued a GST invoice and payment won't be required until **February 2020**.

**We are also keen to attract sponsors who might be able to offer a higher level of funding and may be interested in having their logo's on full team sets of training tees or hoodies. If you know of anyone that would be interested, please contact Wayne Turner (021) 748-144.**

## **SUMMER BREAK**

The Management Committee would like to wish all members the best for the summer break.

The bar will now be closed over the summer months and re-open next winter.

A huge amount of planning and effort is already going in towards the 2020 season.

2020 coaches will be confirmed soon.

Keep an eye out for the upcoming AGM which will be held in November 2019.
