BREAKING NEWS

Our Premiers are now leading the competition after a great start to the season! To date we have played 9 games and won 8 with some great rugby played.

A fantastic game against Marist to win the DCL Shield where Tyson Belworthy played his 50th Premier game and Stefan Moir played his 100th Premier game, a great win against Lincoln to win the NBRFC/ Lincoln Trophy, a great win against Sumner to take the Borough Shield as well as good wins against Burnside, Varsity, and Belfast. We have won every trophy played for this year so the cabinets full! Keep it going fellas!

Two big games to go with Linwood this week and HSOB the week after, both on our home turf!

Kev & Diane went to the country fair each year.
One year, a man at the fair was giving helicopter rides for \$50.00
Having never been in a helicopter in all his years, Kev begged Diane to let them ride. She refused, quipping “\$50 dollars is \$50 dollars.”

The following year, the man was there again, and again Kev begged for a ride. Again, Diane turned it down, saying “\$50 dollars is \$50 dollars.”

The third year the same exact conversation happened, except this time the pilot overheard them. He offered the couple a free ride, but with one condition. They must not make a sound while in the air, or they would have to pay the \$50 dollars. Kev & Diane agreed and climbed aboard.

As soon as they left the ground, the pilot began performing hair raising manoeuvres in the air, but try as he might, he could not get the couple to utter a sound. When they finally touched down, the pilot turned to Kev and exclaimed, “that was an amazing show of self-control, you have earned your free ride”.

Bill replied, “well, I nearly said something when Diane fell out, but “\$50 dollars is \$50 dollars.”
